

In order to achieve our purpose to enhance the lifetime financial wellness of people, their communities and their businesses, we rely on four critical enablers.

MMI'S OPERATING MODEL

The MMI operating model centres on establishing and maintaining a life-long relationship with its clients, enhancing their financial wellness by offering a diverse range of products through all cycles of life. It is a strongly collaborative operating model where the needs of clients in our segment businesses are met by solutions provided by MMI's Client Engagement Solutions and Products and Solutions businesses.
